Sir,

On April 2, 2004 a response to the Office Action dated October 2, 2003 was sent by Express Mail to the U.S. Patent and Trademark Office ("USPTO"). On June 2, 2004 a Supplemental Amendment was sent via facsimile to Examiner Travers. It has been more than one year since these two items were filed and we still have not received any communication from the USPTO. Kindly advise when we can expect to receive a communication from the USPTO.

Dated: July 12, 2005

Respectfully submitted,

*Susan Stone Rosenfield*
